# Tetherinu Teachings

## Get passive income with Tetherinu

With the auto-claim feature, you'll receive Tether (USDT) automatically every 60 minutes. Hold Tetherinu tokens and get rewarded on every transaction that is made!

## Redistribution

9% of every buy/sell is taken and redistributed to all holders.

Hold Tetherinu tokens, earn USDT.

Note: Minimum hold 100 tokens.

## Auto Paid

Your earned USDT rewards automatically sent to your wallet every 60 minutes.

Note: In periods of lower volume this may take longer, you always get USDT.

## Marketing Plan

2% of every transaction is allocated to Marketing in USDT (swapped to USDT in real time to avoid dumps) So we can fuel the most ambitious projects and reward our active community.
